Dear Dr. Park:

It has been our distinct pleasure to work together with you in our organization, Houston County Habitat for Humanity, and maintain your active membership for the past several years. We have been encouraged by your constant dedicated service, volunteerism and enthusiastic support for our organization in helping and building our community for the needy people. Your weekly involvement and assistance during every Saturday in building houses in our county is the direct evidence of your devoted service to our community.

With your bivocational busy situations, you have shown us your willingness to run extra miles voluntarily to help our community and needy neighbors through your unselfish Christian love. We hope you notice that your continued and tireless voluntary services to our organization will give us a great positive impact and mental encouragement for all our Habitat's co-workers and friends for the years to come.

Finally, we greatly appreciate your unwavering and faithful services to our Houston County Habitat for Humanity. May God richly bless you.

Sincerely,

Raymond Haggard
Chairman of the Board of Directors
Houston County Habitat for Humanity
